It will be mandatory for all out-of-state horses coming to the Cheshire Races to travel with a veterinary health certificate. This certificate routinely includes the horse's address of origin and should definitely be included. Further the out-of-state horse must have at least two copies of this health certificate in that he must produce one copy to the person at the entrance to the races on Green Valley Road and further provide another copy to the entry coordinator when he is getting his number before the race.

For in-state horses, they are reminded that they must have their coggins certificate which must be presented to the entry coordinator when they are getting their number cloth.

Any questions, please call John B. Hannum, Jr., Chairman (610) 692-9116 or (610) 268-2340 or Mrs. Kirstie Grabosky, Co-Chair (484) 888-9970 or Dr. Celia Goodall (610) 585-0106. Thank you for your consideration to an important matter.

There will be water available in the van area; however, it would help if you could bring your own. Jockeys must provide their own lead.
